Role

In your role as an IT-System Administrator, you will participate in the development and establishment of a new generation of IT architecture in comforte. By maintaining and optimizing our IT systems, you would positively contribute to the growth, scalability and the success of the entire comforte team.

Your Tasks:

- IT administration and further development of our heterogeneous IT system landscape
- Management of the internal comforte server network, with a focus on continuous optimization
- Operation and support for software and servers as well as installation, replacement and maintenance of hardware
- Administration of virtualization and storage area environments
- Active participation in the design of the IT landscape of the company
- Preparation, maintenance and optimization of operational documentation
- Set up and user management in various systems
- In-house user support (acceptance, error analysis, problem-solving)

Your Profile:

- Deep knowledge in the administration of Windows and Linux servers
- Routine handling of MS-Office products
- Extensive experience using common network technologies (LAN, WAN, TCP/IP, VPN)
- Good knowledge in Virtualization Techniques (VMWare)

- Basic experience in Cloud- and Container-Technologies (such as Kubernetes, Docker)
- Fundamental knowledge in the field of IT and security and data protection
- Basics of Infrastructure as Code principles

Professional Traits and Aptitudes

- Fast comprehension and continuous willingness to learn to keep up with technology changes
- Openness for new technologies and steady progress
- Self-starter, who can work independently with minimal supervision
- Ability to prioritize multiple tasks in order to achieve the required goals
- Friendly, patient, helpful and team-oriented way of working

Communication

- **English:** Fluent/Professional working proficiency in oral and written communication
- **German:** Fluent/Professional working proficiency in oral and written communication
- Additional Languages are a plus

What comforte can offer

- Unique company culture
- Interesting work in an international team with clients in the Payments / Telco / Retail / Manufacturing industry around the world
- Flexible working hours and a good work-life balance
- Flat hierarchies
- Comprehensive benefits
- Opportunity to work self-sufficiently, take responsibility and make a difference
- Growth opportunity within the company
- Competitive compensation

More information
